

Free After School Program!

Starting September

The Learning Lamp and the Boys & Girls Club of Western PA have teamed up for another year of free, exciting and educational after school programming.

The program is a positive place for kids that offers a variety of recreational, instructional and social activities. It's staffed by highly qualified and caring adults who focus on the needs of each child.

The program engages youth of all ages in activities that are fun and enjoyable and support the development of character, self esteem, academic skills and community involvement.
